We specialize in the rewire and service of the following machines:

- CAT
- Komatsu
- Bell
- Volvo
- Hitachi
- John Deer
- JCB
- All trucks, cars and LDV's

Diesel Tronix was established in 2008 in Witbank by Wayne Lee and Morné J van Rensburg. Both directors are qualified Auto Electricians working in the field for numerous years. The one core values that sets Diesel Tronix apart from other companies is the fact that our directors are hands on in every department of this dynamic company. No job is being done without their knowledge or otherwise done by them. We as a company are audited by big organisations at the highest quality of work and field services provided to them.

We provide services in Parts, Field Services and Telesales. Our offices are situated in Witbank, Middelburg, Steelpoort, Ballito with a new power packed shop in Gauteng that opened recently. We have a dedicated sales team whom will assist you in all parts, and delivery.

(Our BBBEE status report is attached)

2. Mission, Vision and Values

BREAKDOWN SERVICES:

Our employees are on 24 hour ready breakdown service. We supply, install and service all brand names of auto electrical and air conditioning systems on any machinery or domestic air conditioning systems.

POLICY STATEMENT:

We at Diesel Tronix value high standards, quality work and a job delivered successful. We deliver ourselves as a team, with good leaders always being available to our valued customers 24/7. We as a company honour our word and believe we are the leaders in our field.

Our trained staff are able to provide you with the most suitable solutions and advice for any of your requirements.

SAFETY:

Safety is one of our core values; we will not tolerate or compromise any unsafe working conditions. All our vehicles are FRCP compliant, therefore no issues to serve our clients in the field.

QUALITY MANAGEMENT:

Acknowledge the importance of our customers and continually strive to meet or exceed our customers' requirements within a framework of continually improving our deliver performance for the service we provide.

3. Equipment

PERSONAL PROTECTIVE AND SAFETY EQUIPMENT:

All defective and damaged PPE will be reported to the Supervisor and will be supplied by us.

A PRE PPE and Mini Risk Assessment inspection will be performed by every employee before any work will take place on any site.

We supply our own equipment for any task needed to be done, whether for lifting purposes, harnessing, power/electrical tools or any other. All our equipment will be tagged and in a safe working condition for prevention of any mishaps or injuries.

A register will be kept of all active tools/power tools or any equipment used on any pro

4. Training

TRAINING ON PREMISES:

All our training is professional and all our technicians are personally trained and tested regularly on our premises to test their ability on good workmanship and satisfactory level of our company. We are MERCTA registered.

5. Clients

We are doing projects on machines and vehicles for Genet Mining, Genet Mineral Processing, ALS Group (ALS BEE; ALS Dozer Hire; ALS Haulroads; ALS Plant Hire; ALS Rentals; ALS Loader Division; ALS BEE), TAU / Glencore, Concor, Dig Earthmoving, Komatsu South Africa, Close up, WBHO, Eyethu Coal, SG coal, Dust-a-Side, Buildmax (Diesel Power Opencast Mining, NCT - Imperial Tipper Transport (New Century Transport), Burgh Plant Hire, Anglo American (Innoven Consulting CC – Coal), est. *(Just to name a few)*.

Auto Electrical is our main service provided.
